

# Hungarian National Assembly

## Országgyűlés

### Measures:

Paperless law-making (ParLex – winning a ‘Best Practice Certificate of the European Public Sector Award’)

Renting electric cars for the vehicle fleet

Clean energy for heating and cooling: Natural gas burners, air-water heat pumps, geothermal energy heat pumps, condensation boilers for heating and hot water

Waste separation

### Results:

Reduced paper packages from 205 to 26

Electric only transport in the city - 20.000 km annually, reducing emissions and air pollution

Weekly separated waste collected: paper: 9 m<sup>3</sup>, plastic: 5.2 m<sup>3</sup>, glass: 2 m<sup>3</sup>

This document is part of a series presented at the Conference organised by the INTER PARES programme on 11-12 May 2021, to share good initiatives introduced by parliaments to tackle climate change challenges.

The examples cited in this document were kindly shared by the parliament and edited for presentation by the INTER PARES programme.
