

Trinidad and Tobago Parliament

Measures:

Discontinuing the use of all plastic containers and converting to the use of paper-based containers.

Developing a recycling programme to include the disposal of paper, tetra packs, plastics and tins.

Online platform to access all parliamentary documents and move towards paperless law-making

This document is part of a series presented at the Conference organised by the INTER PARES programme on 11-12 May 2021, to share good initiatives introduced by parliaments to tackle climate change challenges.

The examples cited in this document were kindly shared by the parliament and edited for presentation by the INTER PARES programme.
