

Gender equality and women's empowerment

A key area of focus for the INTER PARES programme, gender equality is a mainstreamed theme across all of its work. Our innovative peer-to-peer approach allows for the exchange of expertise, ideas, and support between EU Member States Parliaments and partner parliaments on how gender equality can be embedded in all areas of parliamentary work.

COUNTRY SUPPORT

There were 5 activities focused on gender-sensitive scrutiny in 2021:

85 Participants

4 Partners

5 Countries

Bhutan, Chile, Maldives, Malaysia, The Gambia
